W.E. Program Provides Jobs for Students

Mr. Robert Slavin is 60 years old. He has been a teacher for 39 years. He taught in Oklahoma for 17 years where he was honored as teacher of the year.

As a youngster he attended a one-room elementary school called Buckhead. In high school, he was involved with playing basketball and later earned a basketball scholarship award to attend East Central State. He there received his Bachelor's Degree. He also attended Oklahoma State University and earned his Masters Degree.

In Oklahoma, he organized a girls drill team in 1952. His drillteam was the top drill team in the state for two years. During one of those two years his drill team was ranked 6th in a field of top ten drill teams in the nation. They also received a special invitation to attend the Mardi Gras, The Sun and the Cotton Bowl. They appeared at Bush Stadium and were the entertainment at a half time show at the Tangerine Bowl in Orlando, Florida. The drill team consisted of about 36 girls who all marched proudly with rifles. Aside from being the drill team director, he also organized sports and dance programs.

He came to Dinuba in 1962 and taught wood, drafting and cabinet making, before he became the Work Experience teacher. He started with about 12-14 students interested in work experience in 1964. This year, he assisted approximately 100 students through work experience. He feels this program serves those students who are undecided as to what they want to do for a living later on in life. As for people who know what they want to do, Work Experience is not what he would recommend for them.

SENIORS

Under the leadership of first year advisor Mr. Don Warkentin and class president Lance Armo, the senior class participation increased greatly over the past three years. Class meetings were filled with interested seniors who were willing to give up some time to help the class efforts.

Many seniors were only on campus for half a day due to their involvement in work experience or the fifteen percent program at Kings River Community College (formerly Reedley College). Their only required course at D.U.H.S. was American Government.

School Days And Teenage Nights

Pondering thoughts, dreaming
dreams,
Going to dances, devising schemes,
Planning parties, taking tests,
Always remember, never forget.

School days and teenage nights,
Getting cars and motorbikes.
Watching T.V., drive-in shows,
Wheres the time gone? No one
knows!

Chasing others and running wild;
Your mom still treats you like a
child.

Home by ten, asleep by eleven,
Up in the morning for school at
seven.

Graduation comes at last;
We reminisce about the past.
Our high school days have been the
best—
Always remember, never forget!

Three Foreign Students Experience Cultural Changes

Two international exchange programs provided Dinuba High with three students from other countries. Youth for Understanding sponsored Andreas Burhofer from Germany and Maria Thege from Sweden to Dinuba, Satoru Niitsu was sponsored by Pacific Interculture Exchange.

The purpose of these organizations is to enable the exchange student to learn about a culture through the intimacy of a family environment. The programs allow the students to stay with their host families for one year. During this time, they attended Dinuba High and traveled to different points of interest. They experienced a casual school environment, American football, and pep rallies.

Andreas, Marie, and Satoru received no credit for attending D.U.H.S. only a greater understanding of American life.

Maria Thega Observes United States' Lifestyle

Maria came from Malmö, a southern town in Sweden. She is 17 years old. She came to America because she wanted to learn about the American people and their culture. This is her first time in the United States. She has also traveled throughout Europe.

Here in Dinuba, she is living with Kelly Franzen and her family. Since coming to America, she has traveled to Yosemite, Kings Canyon National Parks and Los Angeles. Maria said, "school in America is more like a social gathering than studying."

While going to school here, she has joined ICHTHOS and Hiking Club. She enjoys playing the guitar, poetry, oil painting, swimming, reading, badmiton, horse back riding, and singing.

In Sweden, Maria goes to school five days a week, 8:15 a.m. to 1:00 p.m. or 4:00 p.m. She has 10 to 15 classes a week. When she returns home, she has one year left of school. She gets no credit for attending our school.

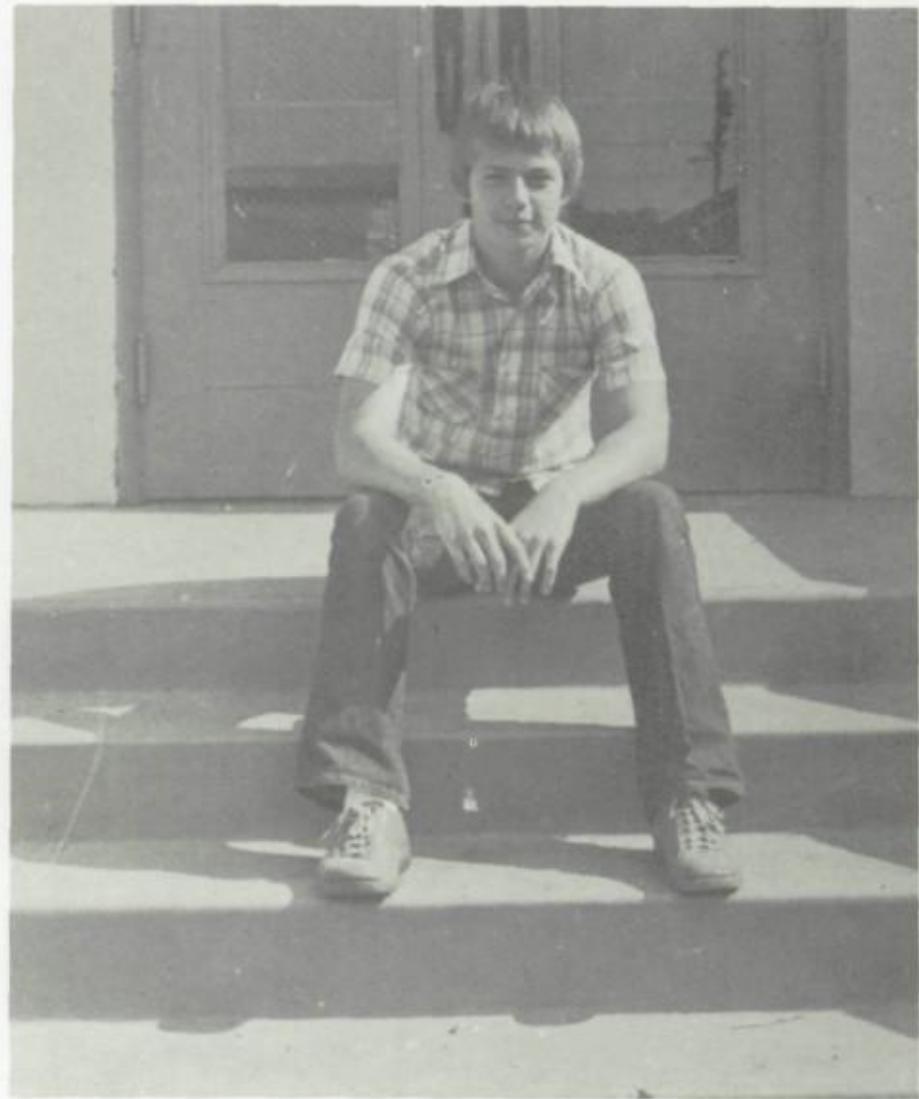

9.

Andreas Burhofer Expresses Interest in U.S.

Andreas came from Münster Germany, approximately 20 miles south west of Frankford. He came to America to learn about American people and their customs. This is Andreas' first time out of Germany. While he is here in Dinuba, he is living with Greg Gerstenberg's family.

There are three years difference between the schools in Germany and Dinuba. When Andreas returns home he has to finish his schooling which will make him a sophomore. In Germany, he has 13 or 14 classes a week. They include English, French, German, math, geography, biology, physics and chemistry. Andreas enjoys playing the guitar, jazz band, music, swimming, hiking and cross country.

3.

Satoru Niitsu Visits America First

Satoru came from Tokyo, Japan. He volunteered to take the Pacific Intercultural Exchange Student Test. The test includes reading and writing.

This is Satoru's first time out of Japan. While in Dinuba, he is staying with the Gleason Family. Satoru has traveled to Newport Beach. He enjoys riding motorcycles, skating, skiing, singing, playing the guitar and he loves to travel.

Satoru intends to join the photography club and track and field club.

Student Council Plans Spirited Activities

Helping out on Registration Day was the first Student Council activity held by the student body officers, who were elected in the spring of the previous year.

On Mini Raisin Day the free pepsi booth offered 900 glasses of pepsi to all who wished to quench their thirst.

The Student Council encouraged students to participate in activities such as Western, shades, 50's and Little Kid dress-up days.

Along with Homecoming and Sadie Hawkins Weeks, Student Council Worked to involve students not only in school activities but also to develop pride in their school.

Community Celebration Involves DUHS Students

The week before the community celebration of Raisin Day, Dinuba High campus held its own "Mini-Raisin Day." It began with a grape stuffing contest won by Senior Rod Sbragia. Carmel apple eating contest and Green Day were also part of the festivities. Junior Tim Rose with the help of a few junior girls, was the champ of the carmel apple eating contest.

An extended lunch gave the student body a chance to sample food sold by classes and clubs. Later that day, there was the annual Surpentine Rally led by the Dinuba Police department and a caravan of excited and spirited students.

Foods Fill Students; Birds, Balloons Add Color.

Activities for Mini-Raisin Day were planned by Student Council. Clubs and classes prepared foods for the festivities such as beef-teriyaki, hamburgers, tacos, burritos, sundaes, cupcakes, and cookies. Pepsi was provided to the students by the Pepsi Company.

The band marched and played for the citizens of Dinuba and the Burgermeister from Malsch, Germany, Dinuba's sister city, in the Raisin Day Parade.

The Senior Class added spirit to the parade as they chanted "We beat Orosi," through the streets of Dinuba. The Emperor varsity had defeated Orosi 35-0 and the Junior Varsity shut out the Cards 24-0.

Varsity Pep Squads Support Winning Teams

With some help from D.U.H.S. grad., Eddie Delgado, cheerleaders invented new cheers to promote the spirit and pride of Dinuba High.

Varsity cheerleaders and songleaders attended their annual camp in Santa Barbara. Varsity cheerleaders and songleaders together brought home all superior awards plus a superior trophy and a spirit stick.

Varsity cheerleaders Kathy Justice, Felisha Aguilar, (head cheerleader) Linda Perret, Kelly Franzen, and Tracy Haskell combined their efforts to promote spirit and encourage involvement in rallies, games, and activities.

The songleaders Cathy Flaming, Vonda Wiebe, Sharon James, Lisa Roeme, (head songleader) Kim Silvers, Sheri Campbell, Doreen Bonner and Gigi Stage entertained students with routines and skits during rallies and games.

Countless hours of hard work really paid off for this years' Junior Varsity Cheerleaders. Learning new routines, yells, and just plain looking good on the stage seemed to be their main goals. The hard practices during the summer months, took three days a week and seemed to have really put the school spirit in each and every one of them. The J.V. cheerleaders are; Kelly Felts, Celeste McCord, Vera Viscarra, (head cheerleader) Charlotte Coats, and Kristi Cochran. Together during practices, they strived to be one of best looking group of cheerleaders by really getting into their cheers and game action.

Student Body Elects Homecoming Queen

Junior, Ginger Scott was crowned Homecoming Queen during half-time of the varsity football game against Central. The five finalists; Ginger Scott, Lisa Roeme, Kelly Franzen, Kim Warkentin, and Lannette Garispe were selected from a field of twenty or more girls by the varsity football team. The student body selected the queen. All girls were nominated by participating clubs, and classes which provided a decorated cars using the theme 'D.U.H.S. turns Pro.'

During the homecoming rally each finalist had to run though the Quad, turn circles in place, sing 'Mary Had a Little Lamb,' and sit down to see who was the fastest in all

6

Bonfire Ignites Spirit For Homecoming Activities

Homecoming Week was introduced with Dress-up Days, which featured 50's, dress-up, along with Little Kid Day, Western Dress-up, and a Green and White Day with shades.

Many activities filled the week with class contests during brunch and lunch. Some of these included banana, pie, and doughnut eating contests, and to wash it all down, the rootbeer chug. Some of the participants said the more strenuous events were the car stuff, tug-o-war, and muscle contests.

As the Homecoming Week came to an end, many students gathered around the Bonfire Rally to express their spirit for the up-coming game.

Activities and excitement came to a slow hault with the football game with Central. The junior varsity shut out Central with a 20-0 win while the varsity defeated the Grizzlies 20-7.

The traditional Homecoming Dance was open to Alumini.

Concert Choir Achieves Quality Sound

Concert Choir participated in several county music festivals. The Concert Choir also hosted the Fresno Pacific College Choir for an "exchange concert." That is, the Concert Choir performed for the college choir and then, the college choir performed for the Concert Choir. Members of Concert Choir took part in the Tulare County Honor Choir and solo festivals throughout the year.

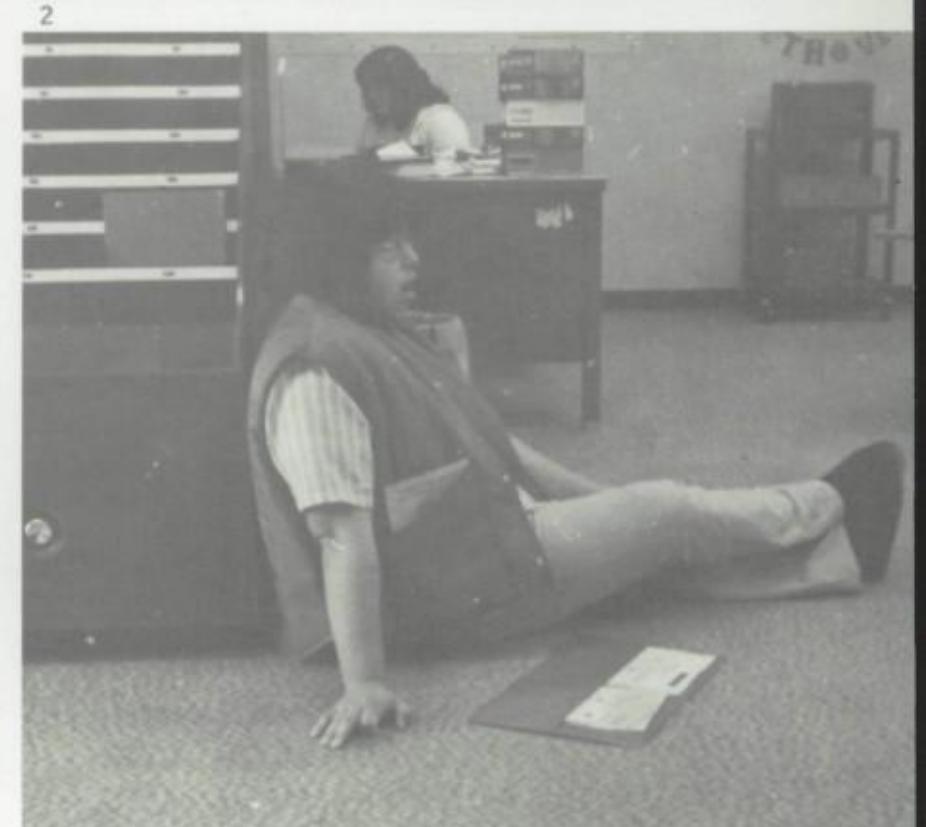

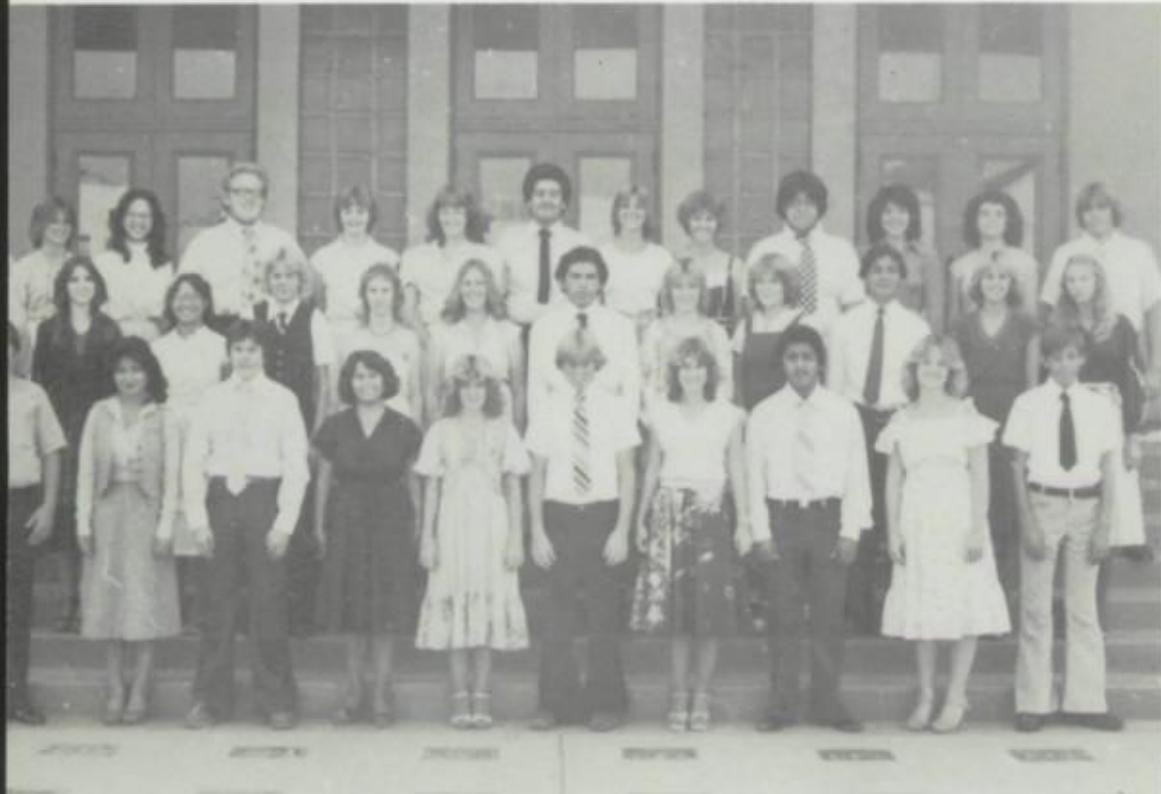

Funds were raised by the Concert Choir for their trip to Marriot's Great America by selling stuffed animals, holding a 12 hour sing-a-thon and promoting concert tickets. Mixed Chorus and Madrigals also participated in the fund raising events for their trips.

Mixed Chorus, Madrigals Communicate Abilities

Mixed Chorus was a new addition to the Dinuba High School Vocal Department. The Mixed Chorus was open to all grade levels, but was the only vocal class for freshmen.

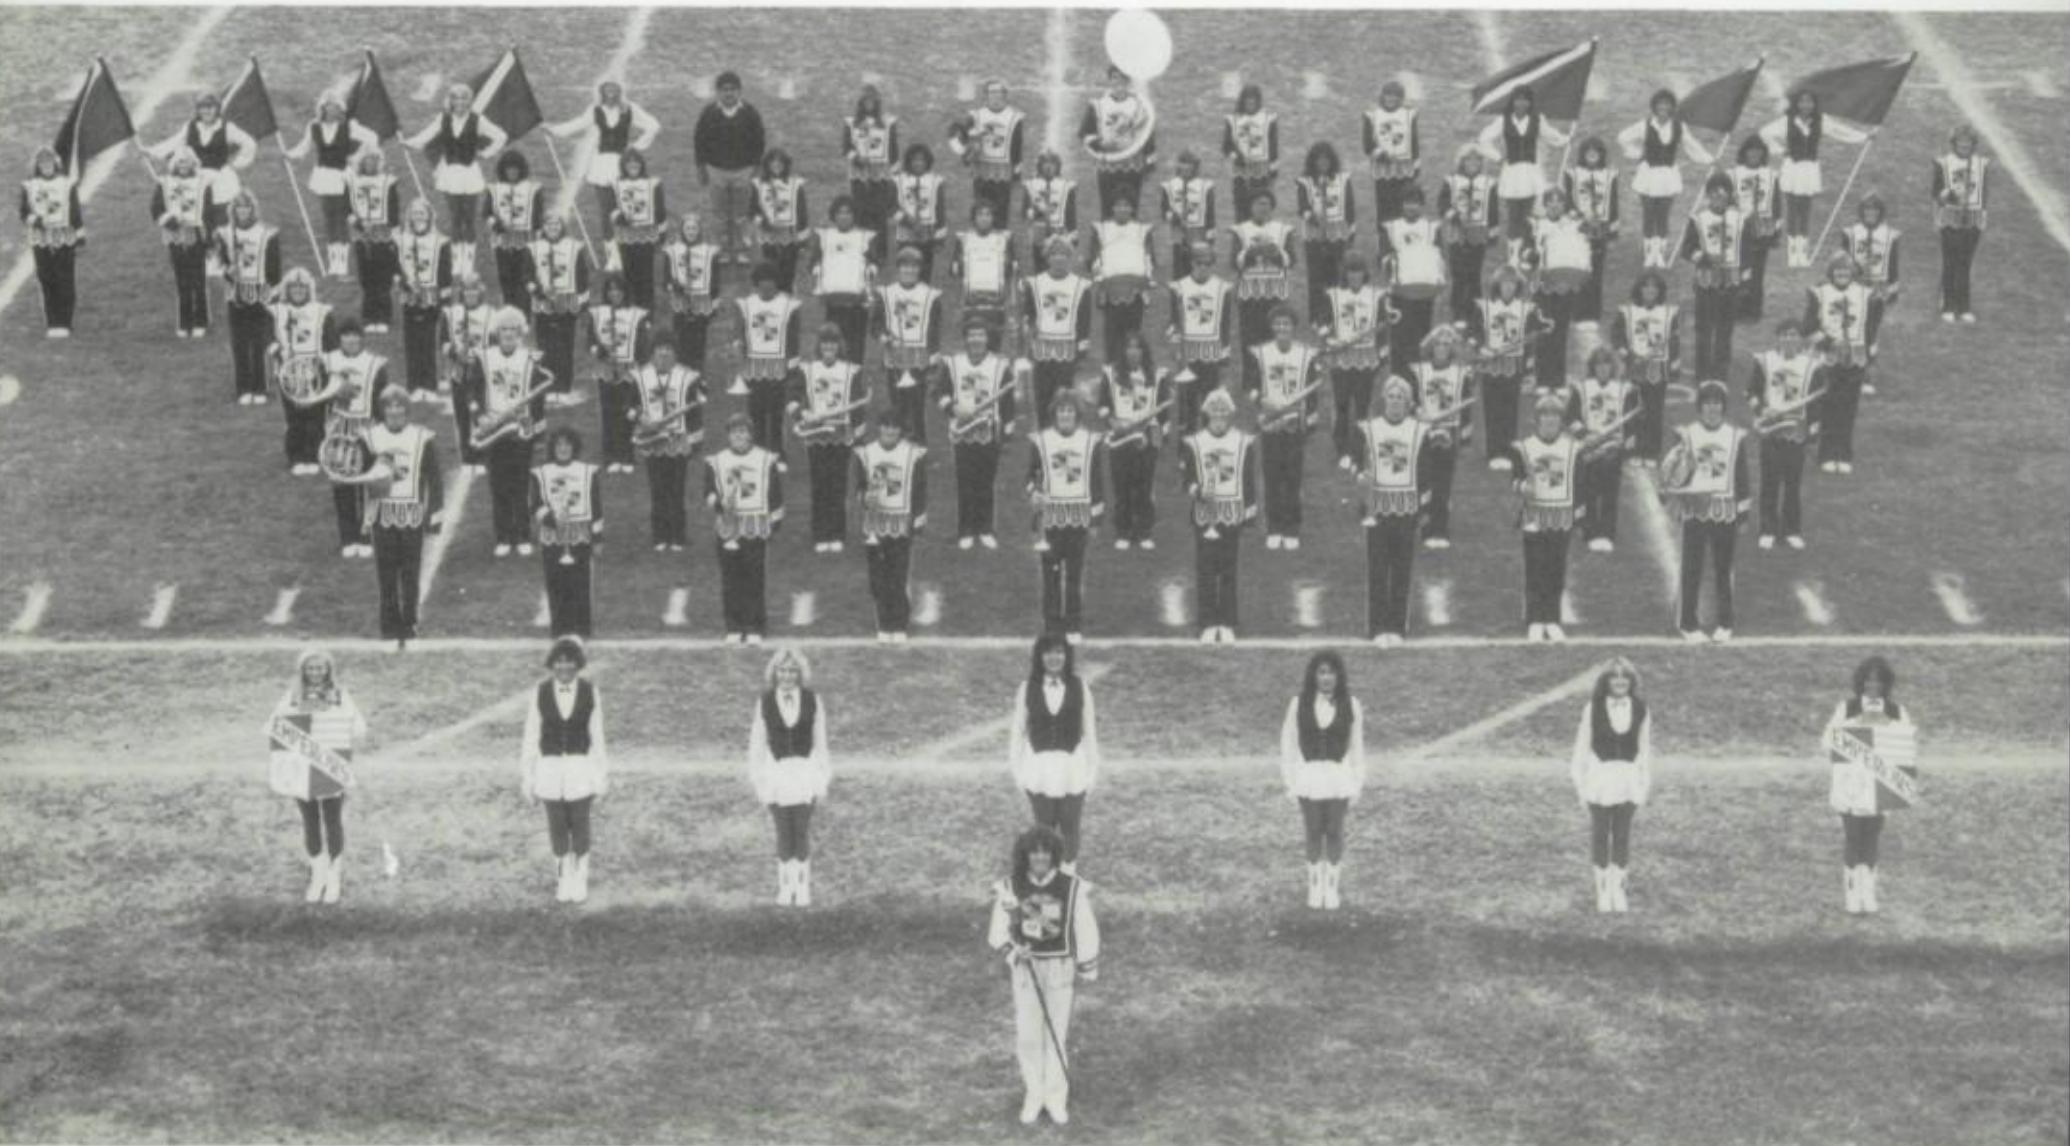

Students in the Mixed Chorus learned the responsibility they have to one another. They prepared for future musical careers in the vocal department and gained confidence.

Madrigals received several requests for performances from the community. They performed for the Senior Citizen Luncheon at the Presbyterian Church, the Women's Club Luncheon and for the Raisin Day Celebration.

Set for future Madrigal members was a new requirement. They must be enrolled in Concert Choir in order to participate in the Madrigal group.

Hard Work Places Band Fifth Overall

5

Competing in the Cupertino Band Review, the band placed second in their division and fifth over all 44 competing bands. They were also recognized at the Review for being a participant for 10 years. Over the 10 year period, the band had received six firsts, one second, one third and one forth.

This year they also attended the Lodi Band Review and for the first time, they competed in the Clovis Festival.

Leading the band into competition was Drum Major Lannette Garispe, followed by 16 smiling flag and banner carriers and 68 marching musicians.

The 84-piece show band, under the direction of Mr. Steven Drouillard, earned money to finance an extra outing by selling seafood and spirit hands.

Students Elect Julie Queen; Activities Happen On Campus

One hundred twenty-five students voted to select Senior Julie DeYoung as the 1981 Basketball Homecoming Queen. Others vying for the title included FHA candidate Patricia Sparks, CSF candidate Belinda Martinez, Emperor Marching Showband candidate Kim Warkentin and Vocal Music Department Candidate Dinah Turpin.

During Homecoming Week, there were lots of activities on campus. On Wednesday, it was Hat and Shades Day. During brunch there was a Car Stuff, which the Seniors won by stuffing 15 people in a Volkswagon Buggie. Thursday was Faculty Dress-Up Day and at noon, Sophomores defeated the Freshmen and Juniors defeated the Seniors in a basketball game.

Many students wore green shirts for Green T-Shirt Day on Friday and the Seniors wore their Class of '81 t-shirts. At noon, there was a gym decorating contest and the Juniors won the competition with balloons, posters and streamers.

1. Sophomore Madeline Wright and Cynthia Jones try to convince Seniors Mike Derderian and Mark Jennings that 20 more people can fit in the car.
2. Juniors Lisa Roeme and Kelly Franzen work hard to put up posters, while Brenda Butler takes a rest to drink her soda.
3. Seniors Shelly Lasswell and Joy Stucky help with decorating the Senior section of the gym.
4. Senior Student Body President Mike Derderian counts to see how many Seniors were stuffed in the car.
5. Sophomores look around and try to figure out how to decorate the Sophomore section.

Cruising Occupies Student's Free Time

Cruising in cars became the favorite past-time of most Emperor Students. Lowered cars filled the streets around school during lunch and before and after school. A variety of music could always be heard from passing cars with expensive stereo systems. Students took pride owning their own cars. New and old cars were fixed to meet the owner's particular taste. Rainbow stickers, personalized plates, tinted windows and mag wheels made each car special. Students without cars gathered in the quad. Many people enjoyed wearing cowboy hats and boots to school. Others enjoyed wearing unique sunglasses and shiny shoes. No new fad swept the nation or the DUHS campus which could have used something to interest students.

Activities On Campus Decline Weeks Shrink to Days

Dinuba High School students found themselves without many activities available. Activity Weeks were reduced to days; assemblies were few, and the Christmas Formal was cancelled. Events received little publicity and participants were hard to find. Class rivalry declined throughout the year. Students appeared tired of rallies and were reluctant to support the cheerleaders. Interested in class competitions diminished.

CLUBS

Seventeen clubs provided activities for their members. The clubs built leadership in their officers and cooperation among its members.

Many clubs raised money by sponsoring booths during Mini-Raisin Day and Sadie Hawkins Week. Along with the classes, some clubs sold refreshments in the concession stand during home football games.

Club membership ranged from 4 people to nearly 100 people. Two clubs from the previous year were cancelled. A new club, the Vocational and Industrial Club of America, was organized on the DUHS campus.

Emerald League, Hi—Debs Offer Members Opportunities

L ed by President Judy Hasebe with assistance from Vice-President Venetia DeLeon and Secretary Angelica Saldivar, Emerald League members sponsored a variety of activities throughout the school year.

This year, however, participation in the Emerald League sponsored Christmas Formal was not sufficient to warrant the event. They then surveyed the student body for interest in a Valentine's Day Dance. The results were favorable, however, the sign-ups failed to yield enough support again for the necessary efforts.

Beginning in the fall the group sold mums for the homecoming game and candy at the home football games. They sold carnations for Valentine's Day and sponsored candidates for homecoming. At the annual awards Assembly, a scholarship was awarded to a graduating member of the organization. The purpose of the club is to get girls working together and involved in school.

Activities for the Gottschalk's sponsored Dinuba High School Hi' Debs arranged by the store.

Girls participating in the club can expect to grow in their levels of maturity, learn how to dress well, be more ladylike in their actions and appearances, and become more responsible in their thinking.

Girls wishing to participate in the club must complete an application. Miss Jean Smith advised the group on campus and maintains contact with Gottschalk's store personnel.

Auto, CSF Clubs Sponsor, Plan Activities

The Dinuba C.S.F. Club sponsored a conference quiz bowl. Schools around the valley were invited to participate. Those participating club members were from Golden West, Mt. Whitney, Redwood, Lindsey, Monache, Tulare Western, Exeter and Orosi High Schools.

Quiz Bowl questions covered various subjects including math, English, history and science.

Dinuba C.S.F. members set up equipment, monitored the game, and kept score.

Leaders throughout the Quiz Bowl were Golden West and Mt. Whitney High Schools. After tough competition, Mt. Whitney came out as victors.

Sponsoring a football homecoming car, attending the fall sand drags and the boat drags in spring were some of the activities of the Auto Club.

Selling keychains, promoting various fund raisers and collecting dues were the ways the club earned funds for their trips and other activities.

Rod Sbragia served as club president and Mr. Norm Willems was the club advisor.

Club Promotes Understanding; Members Acquire Skills

Members of the International Club held a Halloween Party and dressed in costume for the occasion. A dance with a K104 disc jockey and the selling of candy for "Cupid and Cutie" votes earned money for the club.

International Club hosted students from local schools to speak about their stays in other countries.

The purpose of the club was to help the members understand the other cultures and give the exchange students an opportunity to interact with our students.

Officers of the club were; Martha Macias, president; Eileen Valenzuela, vice-president; Venetia DeLeon, secretary; and Darin Johnson, treasurer. Advisors of the club were Miss Marilyn Downs and Mrs. Charline French.

The major purpose of the Future Farmers of America chapter (FFA) on the DUHS campus is to develop leadership skills and foster participation in activities pertaining to agriculture.

DUHS FFA members have become well known throughout the state because of their success in competing with other schools from throughout the state.

Members competing in judging contests at Fresno State, Cal Poly-San Luis Obispo, Chico State, Kings River College, College of the Sequoias, Cal Poly-Pomona, Merced College, Modesto College and John Hancock College in Santa Maria.

Club members raise money to pay for their travel expenses by selling pepsi at football games, goldfish concession booth at Raisin Day and by combining efforts with 4-H and FFA Booster Clubs to have a breakfast.

Members participate in the Tulare County Fair, attend regional FFA meetings and the state FFA convention in May at the Cal Poly campus at San Luis Obispo. The club sponsors activities during National FFA week in February.

Library, Rally Clubs Increase Involvement

Spnsoring homecoming candidates, aftergame dances, having food booths during school activities and collecting newspapers, decorating a Christmas tree, selling items at the annual Christmas Bazaar, awarding a scholarship and taking the annual field trip are some to the numerous activities sponsored by the Library Club advised by Mrs. Helen Martin.

The main purpose of the club is to assist students to become involved in social, academic and service activities. Improved school spirit and participation in those activities are club goals.

Activities sponsored by the club enable its members to become acquainted with other students and faculty members.

Throughout the year, Rally Club painted posters, promoted school spirit, cheered for the teams and held fund raisers.

Rally Club's purpose was to get the student body involved and generate excitement and enthusiasm for school activities.

President Paula Carr and Secretary Sheri Campbell worked together as the club officers with advisor Mrs. Marilyn Kirst.

Key, Keywanette Clubs Develop Leadership Skills

Rodney Johnson served as president of Key Club while Ron Machoian is the vice president and Senior Mark Jennings records the minutes of the meetings as club secretary. The club holds membership drives twice a year and membership is limited to election of new members by the membership.

The purpose of Key Club is to promote leadership, involvement and increase responsibility of the members.

The club members participate in community service activities and attend an annual convention. Club meetings feature speakers twice a month. The group is sponsored by the local Kiwanis Club and advised by Kiwanian Jerry Shapazian.

Promoting school spirit, pride and awareness about school and community are several of the ways that the DUHS campus community can benefit from the existence of the Keywanette Club on campus.

The club encourages the development of leadership skills through the activities sponsored by the club.

The club sponsors the DUHS Educator of the Year Award. The award is presented at the Annual Award Assemble. Keywanettes sold basketball show keychains, cheered patients at local hospitals with Christmas' Carols and recognized faculty members on their birthday.

Talented DUHS teams had to battle through a tough Central Sequoia League. Emperor fans were almost always treated to very close and exciting contests, with Dinuba getting its share of wins. The sports program came up from the cutbacks suffered a few years ago. The cross country program was re-enstated and boy's freshmen football and basketball teams were once again competing.

A large number of students participated in athletics, making the future in Dinuba sports promising.

Varsity Records Best Record In Six Years

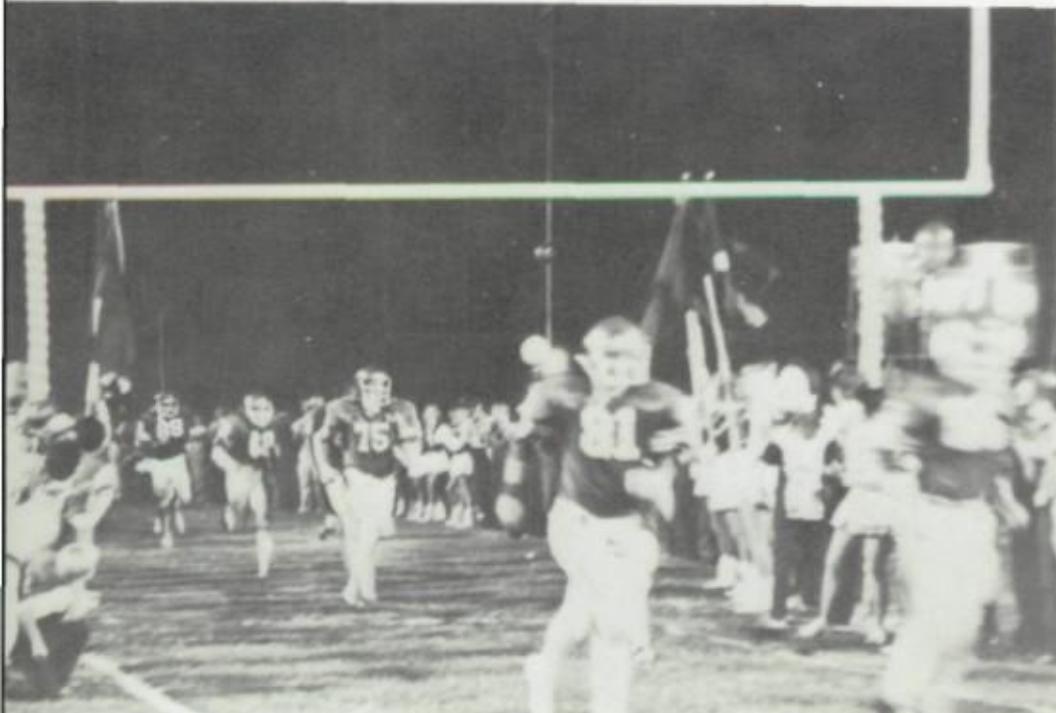

With thirteen returning lettermen and three all-league players, the Varsity Emperors were ready for the 1980 football season. During the summer Coach Mark McClure set up a weight training program. Additional equipment for the weight room and for the football program was secured. Coach McClure was aided by Assistant Line Coach Larry Greene, Defensive Coordinator, Gary Battles, and Receiving Coach Brooke Hamilton.

For their season opener, the Emperors played the Tulare Mustangs. The Mustangs were rated sixth in the valley and were favored to take their league. In the first half of the contest, the Emps were down by 14 points, but proved that they were a top notch team by defeating the Mustangs 15-14.

With one win under their belt, the Emperors were ready to play their arch rivals, the Orosi Cardinals. At their 67th meeting the Emps plucked the Cardinals 35-0. The Emps prepared for this game ever since the beginning of football season. For the seniors this would be the last time that they would get to play the Cardinals on the gridiron and for the rest of the team, it was a matter of pride.

At the beginning of the game the Cardinals got possession of the ball. They were limited to one scoreless drive. After that the Emps took control of the ball and game and never looked back. With 3:11 gone in the first quarter, Senior Mike Derderian carried the ball from 6 yards out to put 6 points on the board. Gabriel Vasquez made good on the extra point.

1. Dinuba's 80-81 Football squad runs on to the field after first half of the homecoming game. 2. Junior Mike Slusher (53) is congratulated by a Central player. 3. Derderian Selected All-League Linebacker

In the traditional rival contest with Orosi, the Emperors defeated them 35-0. The Cardinals only threat came early in the fourth quarter. They faked a punt and got within one yard on the goal. The Emperors defense held the Cardinal's scoreless for four straight downs.

Dinuba's final pre-season game was against the Exeter Monarchs. The Emps were favored to defeat the Monarchs. The Emps did as expected and they defeated Exeter 19-6.

For their league opener, the Emps were to face the Grizzlies of Central. The Emps had not defeated the Grizzlies of Central in two years, but this year the Emperors got their act together and defeated Central 20-7.

Their second league game against the Selma Bears the Emps were rated fifth in the small schools and eighth in the valley. The Bears struck quickly, scoring 21 points in the first half of the game. In the third quarter the Emps got their first touchdown and made good on the extra point. Selma's defense allowed them one more touchdown in the fourth quarter. The final score of the game was 27-13 in favor of Selma.

Dinuba suffered their second loss against the Washington Panthers. At half time, Washington was leading 7-0. In the second half, the Emperors were defeated 14-0. For their fourth league game the Emps played the Sierra Chieftains. The Emperors and the Chieftains held each other scoreless in the first half. In the third quarter, the Emps scored seven points. Late in the fourth quarter, Sierra scored a touchdown but missed their extra point. The Emps defeated the Sierra Chieftains 7-6.

For their next game, the Emps traveled to Kingsburg and were defeated 26-14.

Dinuba's final victory came against Golden West Trailblazers. The Emperors won the game by scoring a touchdown in the final minute of the game. The final score was 20-18.

The Emps were defeated in their closing game against the San Joaquin Memorial Panthers, 17-7.

Three Captain's Awards were given to Seniors Mike Roach, Mike Derdenan and Jim Gordon.

This year Greg Gerstenberg was awarded the coaches award. Mike Derderian was voted most valuable player by his teammates. Named to all league team was Michael Derderian at the linebacker position.

1. Senior Tailback Jim Gordon is awarded the Captain's Award by Coach Mark McClure. 2. Runningback Mike Derderian is awarded Most Valuable Player award by Coach Mark McClure.

Springer Coaches Team; Freshmen Team Formed

Mr. Paul Springer took the job of coaching the Junior Varsity football team. The Junior Varsity squad consisted of nearly 60 members at the beginning of the season. The coaches decided to split the squad and form a freshman team. The newly formed team started out well by winning their first 3 games of the season. Their first defeat came when they played the Washington Union Panthers. They were defeated by a five-point margin. Their second loss came from the Kingsburg Vikings 6-7.

Recognized by teammates and coaches were Bob Brewer as the team captain; Viviano Pruneda as the Most Valuable Player and David Urrea received the coaches award. The Junior Varsity Emperors recorded a 7-2-1 season record under the coaching of Mr. Paul Springer. He was assisted by Mr. George Alexander, Mr. Skip Stanglin, and Mr. Don Sharp.

Junior Embs Explode; Gain Experience

The J.V. football team started off the season with a winning streak. The Junior Embs were 4-0-1 halfway through the season.

The J.V.'s proved they were tough by scoring 169 points and only giving up 46 points to their opponents during the season. The only team that scored against the Junior Embs in their first five pre-season games was Exeter.

During the Dinuba-Exeter game, the J.V.'s gained + 56 yards in rushing to top the Monarchs' 74 yards. The Emperors averaged 8 yards per pass compared to Exeter's 6 yards. After a rough game, the mighty junior varsity squad came out with a 36-13 victory.

Dinuba Diggers Top SJM Panthers

Coached by Mr. Don Warkentin, the 1980 Varsity Volleyball Team had a 11-9 season.

Four seniors and four juniors made up the experienced team. Two sophomores were moved up to the Varsity squad during the middle of the league season.

According to Coach Warkentin, this year's Central Sequoia League was extremely close between the teams, winning was just a matter of who wanted to win more.

The Varsity Volleyball Team was fired up enough to top the tough San Joaquin Memorial girls. This was the first time ever that Dinuba had beaten the San Joaquin Memorial Panthers.

Varsity Takes Second In First Tournament

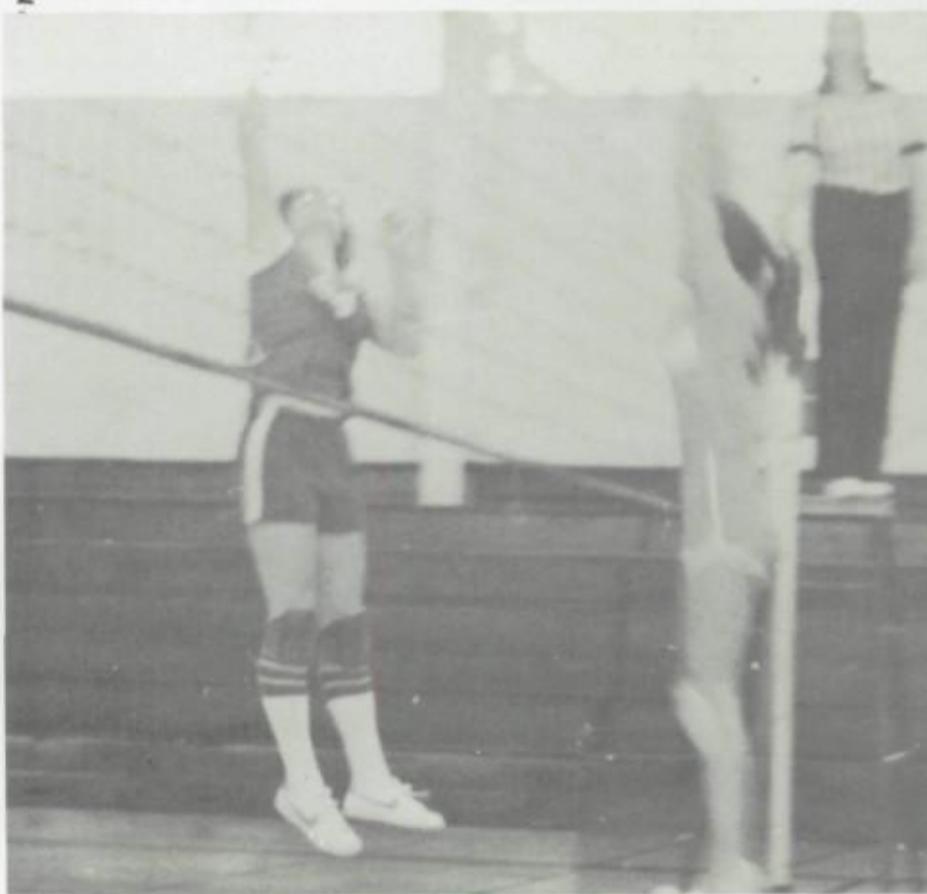

For the first time ever in Dinuba's volleyball history, the varsity team participated in a tournament, held at Central High School and captured second place. Seven other schools participated including: Central, Chowchilla, Fowler, Kerman, Kingsburg, Riverdale, and Tranquility.

The girls passed up attending the Orosi football game on Friday night, and the Raisin Day activities Saturday. In doing so, the Emp "diggers" brought home the second place trophy. Senior Nancy Kalendar was awarded a medal as the All-Tourney Player.

Dinuba defeated Riverdale 15-5, 15-6; and they defeated Kerman 15-2, 15-5. Primarily, Dinuba won these games on the serving line, with Dinuba serving a 100 per cent game against Kerman.

DUHS Grad Returns To Coach J.V. Squad

For her first coaching experience, Karla Cochran took over the 1980 J.V. Volleyball team. The squad was an inexperienced one, with ten freshmen and four sophomores, three sophomores returning from last year's squad. As the second round of league play started Sophomores Lisa Segura and Maggie Salinas were promoted from the J.V. to the Varsity squad.

According to Coach Cochran, even though they lost against Tulare Western, the team played one of their best matches skillwise. She also stated that their match against Kingsburg proved to equal the talent that they showed against Tulare Western.

Though they did not accomplish as good of an overall record as they had hoped, they did improve quite a bit from their first practices according to Coach Cochran.

Varsity Claims First; In Immanuel Tournament

Starting the new year right, the Dinuba High School Basketball team beat arch-rival Orosi for the Immanuel Basketball Tournament Championship. It was the first time ever in the twenty-two year history of the tournament that Dinuba ever won. They beat the Cardinals by the score of 49-42. The Emperors also played against Fowler and Selma to reach the championship. The Emperors also participated in the Kingsburg Tournament on December 18-20. It was the first year Dinuba competed in the tournament.

Emperors Fare Well In League Play

Consisting of six seniors and five juniors, the Varsity Boys Basketball team started off the season right by beating Sierra but then lost their next four consecutive games to Kingsburg, Central, Selma, and Memorial. The Emps ended the first round of league play by beating Washington.

The Emps fired up for the start of the second round of league play by winning their first three games against Sierra, Kingsburg, and Central. To round up the season, they faced the top three teams of the league, Selma, Memorial, and Washington.

JV Cagers Enjoy Initial Season Wins

First year coach Mr. Gil Jenkins enjoyed coaching the enthusiastic Junior Varsity cagers. The hard working Emps improved their skills and promised to be a tough team in the years ahead.

The sophomore dominated J.V. squad compiled a 5-2 pre-league season record. They claimed the consolation title in the Reedley Tournament by defeating Sanger in four overtimes to claim a 50-49 victory. The young Emps headed into league play strong.

A freshman team was re-established and completed in a league with Sierra and Central. They participated in the Orosi tournament and defeated Woodlake in the consolation finals.

Girls Face Tough Competition In Tournaments

During this year's basketball season, the girl's team participated in two tournaments. Their first host was Reedley. Although they lost to Selma and Sanger, they conquered the Kingsburg Vikings. At the Reedley tournament they faced tough competition from larger schools such as Redwood, Sanger, and their host, Reedley.

In the Selma tournament, they faced tough teams like the Lemoore Tigers and their host, the Selma Bears. They came away from Selma with seventh place, losing to Selma and Fowler.

During both of the tournaments, the girls possessed a lot of potential and enthusiasm, but lacked experience in certain areas according to their coach, Derald Roger.

Junior Varsity Females Gain Experience

Determination and team work were the two key words for the girls J.V. basketball team this year. The team prepared for league this year by playing a very competitive pre-season schedule. The team consisted of three sophomores and nine freshmen. There was only one returning player, sophomore-captain Maggie Salinas.

In his first year of coaching, Jack Carousso gained respect from his team, and thanked them all for their spirit, devotion, and the combined effort of all which made the season enjoyable. They posted a 3-13 overall mark for the season, winning two league games.

Weather Delays Game; Juniors Claim Victory

This year's Powder Puff football game was to mark the beginning of a whole new year since the original date was cut short by a foggy day schedule in late December. On January 9, 1981, the Senior girls were upset by the determined Junior girls with the help of a first-half pass interception by Junior Lisa Parker off the Senior Quarterback Eileen Valenzuela. The Juniors missed the two-point conversion but six points proved to be enough as the seniors fell 6-0.

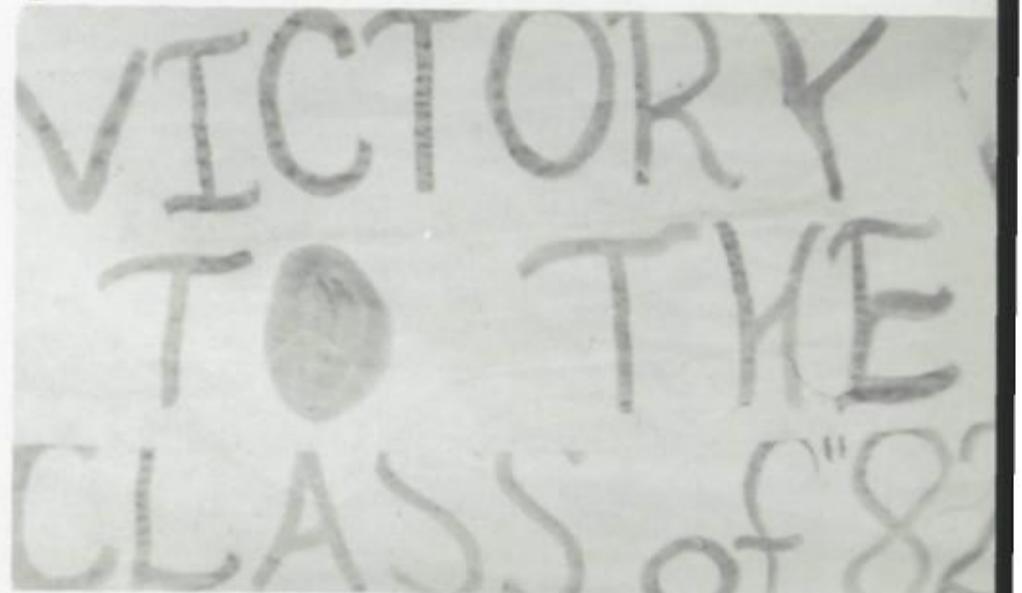

Both teams played relatively even throughout the entire game. The Juniors got the only score. The winning Junior team was coached by Jonathan Andrade, Andy Dimmick, and Mitchel Olivas. The Senior Team, without a win in their two-year powder puff football career were coached by Alfred Roque, and Alex Garcia.

FRESHMEN

Adjusting to high school life was no problem for the Class of 1984. Although the upperclassmen initiated the first-year Emperors in many of the class competitions, they were almost always anxious to compete.

Selling programs at the football games started the freshmen off financially. Academically, the freshmen started high school having to take English 9, P.E., California History, and the state requirement class which consisted of driver's education and health.

FACULTY ADMINISTRATION

Helping to build the student's future and steering them towards a secure life concerned the faculty, administration, and staff at D.U.H.S.

The students recognized the teachers first when it came to the staff. There were also bus drivers, janitors, cafeteria workers, secretaries, and teacher's aides that the students will always remember.

Nurse Patty Jackson and Mrs. Shirley Womack were the new members added to the D.U.H.S. faculty.

Campus Undergoes Overall Facelift

With financial help from the state of California through a deferred maintenance plan, the Dinuba High School Campus underwent some physical changes during the school year. Over the summer, roofers put a new roof on the Main Building. The district also replaced the South Campus buildings' roofs. During the school year, the district planned to update the high school campus by painting the inside and outside of the various buildings. Installing carpeting in some of the main building classrooms was included in the plan. Fluorescent lights were installed to cut the electric bill by sixty-eight percent according to Dr. Dirk Dunnick, assistant superintendent. Resurfacing parking lots on the Main and South Campus and the Gym are part of the facelift.

To streamline maintenance operation at the pool an automatic chlorinator was installed to assure that the chemical balance at all times was correct in the pool.

Library Offers Multiple Sources

The library has many books. Students that check out books have approximately two weeks before their books are due. There is a fine of 5¢ per day for all overdue books that can only reach a maximum of \$2.00.

According to library clerk, Mrs. Joyce Ishizue, the library in her past nine years hasn't changed much, except that there are more books available in the library for student and faculty use.

There is a resource center. A Resource Center is where students can get a multitude of information. In the resource center there are books, magazines, vocation and vertical files, records, etc. This resource center is funded by state and federal funds. They also receive S.I.P. funds.

The library receives approximately 48 periodicals and 6 different newspapers. The number of periodicals received has been reduced by one-third due to a cut in the budget.

Mrs. Shirley Womack Returns to Dinuba

"It was like coming home agin. Everyone made me feel right at home," said Mrs. Shirley Womack, who has been teaching for thirty-two years.

She graduated from State Teachers College in Lowell, Massachusetts. Mrs. Womack worked at DUHS from 1958-69 as an English and Physical Education teacher.

Since then she has worked at the Orange Cove Elementary School for ten years. Before returning to DUHS as a long-term substitute, she worked for seven years at Kings Canyon High School as the English teacher, and the Principal.

Mrs. Womack drove an army truck during World War II. Mrs. Womack says in her spare time, she and her husband enjoy mountain climbing, swimming, reading and visiting new places in their motorhome.

Mrs. Womack is the lead teacher in the reading lab.

Mr. Stan Robinette Remembers Old DUHS

Mr. Stan Robinette has been here since 1954 and remembers the old DUHS campus. The South Campus used to be the junior high. The junior high was located on the south campus, from 1953 until 1967 when the new Washington Junior High campus on Hayes Street was completed in 1968.

The junior high had a faculty of approximately 15 and the high school had approximately 25 faculty members.

Mr. Robinette recalled the completion of the business building in August 1975, the Science building in April 1971, and the Music building in August 1975.

Other buildings like the metal shop, auto shop, agriculture building, wood shop were constructed earlier. The new bus repair shop was completed in January 1978, Magnolia High was completed in September 1970 along with two tennis courts, a new brunch shak and two score boards.

Juniors Brian Mitts and Joey Sutterfield admire the spirited buttons at Office Overload located at 280 North Alta.

Former Student Returns As Nurse

Mrs. Patty Jackson, a 1970 graduate of DUHS, returned to her alma mater in another position, that of school nurse. She had graduated 9th in her class, and was a lifetime CSF member.

Before becoming a school nurse she was the headfloor nurse at Alta Hospital, in charge of one of the wings.

The hours of the job and the atmosphere of the setting made working at DUHS an enjoyable experience for Mrs. Jackson. The worst accident she had encountered was a fractured collar bone.

Being a school nurse means conducting all kinds of tests and completing health charts. Tests include hearing and eye testing for all sophomores, and all special education students. Tuberculosis tests are given to new faculty members and cafeteria workers. She verifies the dates of infant immunizations. If she doesn't get the information she cannot pass it on to the California State Health Department and the student will be suspended from school until he gets the shots, or she gets the dates.

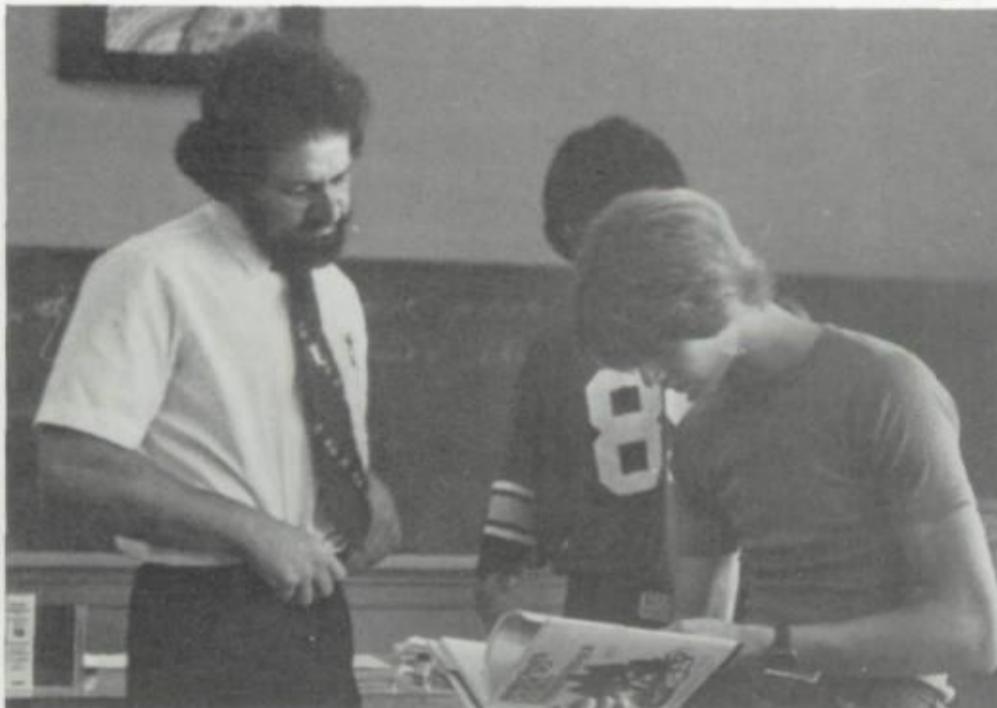

In her spare time she likes to sew, read, work in her garden with her two children, Chad, seven and Kimberly, three.

Cafeteria Serves Nutritious Lunches

Approximately 400 students and faculty members eat lunch daily in the cafeteria and have a choice of four different meals, a box lunch, a la carte, tray lunch and a salad.

Prepared lunches according to state law must include two to three ounces of protein, three fourths cup fruit and vegetables, one serving bread, half pint milk, teaspoon butter and vitamin A and C.

The lunches are prepared at Washington Junior High and brought to the high school to be finished.

The only lunches that are prepared at DUHS are the box lunches and a la carte lunches. Choices are hamburgers, burritos, and sandwiches.

School Curriculum Reflects Student-Interest Areas

Each student has a wide selection of classes to choose from at DUHS. Of course, there are the required classes. Included as required classes for Freshmen are: English 9, P.E., Ancient History, World Geography or Western Civilization and one elective are required. Junior requirements include: English 11 or Basic English I and U.S. History. For the Seniors, it's one year of American Government.

Some of the electives offered for the students at DUHS are: Algebra 1 & 2, Chemistry, Geometry, Science Fiction, Spanish, Animal Science, Biology, Poetry, Woodshop, Welding, Machine and Crafts, Sewing, Drafting, Typing 1&2, Office Machines, Concert Choir and Band,

For College Prep students, electives should be in academic fields in addition to the required classes. A General Course gives an opportunity for the student to select elective subjects that the outlined courses don't allow. The Vocational Agriculture Course meets the requirements for opportunities in agri-business. Business Courses prepare students who plan for a business position. The student must have an average of C in his or her Junior year and a recommendation of a business instructor or principal in order to continue the course Senior year.

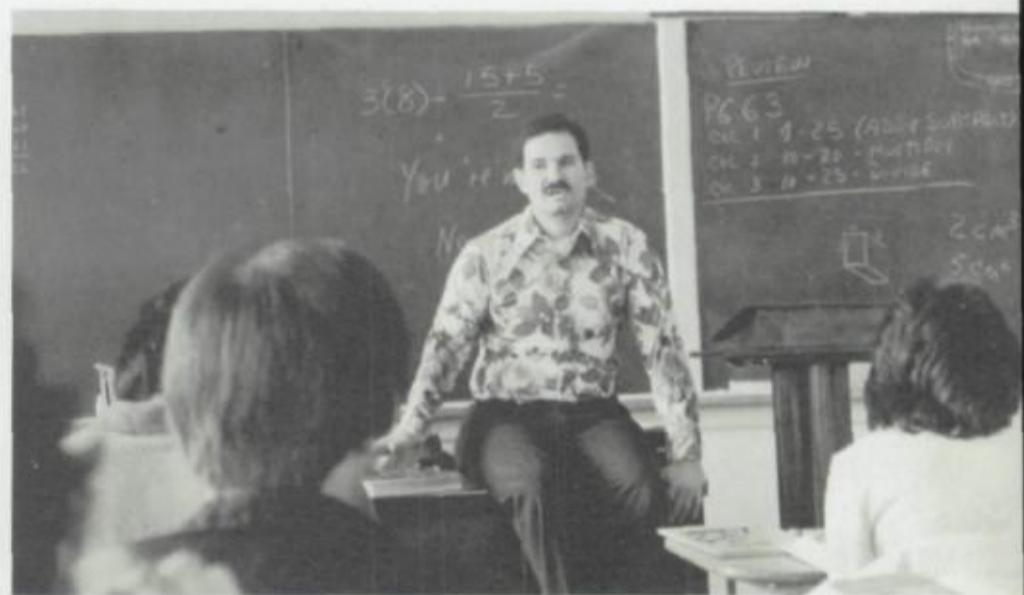

Seniors Margarita Avila and Liz Hernandez stop by at Custom Shears for a neatening-up trim. Custom Shears is located at the United Market Shopping Center.

Appearance, Policy Changes Effect School Year

As the new school year rolled in, students at DUHS were surprised to find that the State Legislature had banned the sale of carbonated drinks and certain candy that was not of nutritional value.

In April 1980, The Board of Trustees adopted a foggy day plan for the 1980-81 school year. Buses ran two hours later with classes beginning at 10:00 a.m. and dismissing at 3:45 p.m. for all students.

On October 24, several students held a peaceful demonstration to show their concern over the loss of brunch for that day. Students gathered to pick up the litter on the campus. Brunch was reinstated the following Monday.

Along with the continuation of the work bus this year, Mr. Larry Snyder initiated a detention plan.

Several buildings at DUHS received a new look. The buildings at South Campus received a new coating of tar on the roof, while the upstairs room in Main Building were redecorated, as a fresh coat of paint was applied to the walls and carpeting covered the bare floors. The window frames also were repainted.

Students were able to attend the away football games as the Booster Club supplied two buses. The fee included the bus ride and the admission in the game. The Booster Club also sponsored a "meet your Emp players" night.

Because no one ran for the office of editor for the Emerald and White paper, its publication was suspended for the school year.

Awards For Achievements Complete Year.

Senior Judy Hasebe was the proud recipient of the D.A.R. Citizenship Award on January 12 at the Visalia Veterans Memorial Building.

This year the CSF club hosted the District II on December third. Approximately ten to twelve schools in Tulare County attended.

Spirit was in the air this year as many students resolved to wear green every Friday to show pride and enthusiasm for their team. "Let's Keep Emperors Alive" mania was the theme for many. Students were able to purchase pit buttons, t-shirts designed by Coach Mark Weber, and Spirit hands showing Dinuba as =01 by Mr. Steven Drouillard and the Band.

New trash cans replaced the old ones in the quad area. They were purchased by the Student Council.

On January 17, many students and parents were entertained when the Harlem Crowned challenged the undefeated Dinuba High Faculty team to a basketball game.

Emerald League sponsored a Valentine King of Hearts contest between five seniors. Competing were: Nathan Barnes, Doug Dart, Billy Wolfe, Jim Gordon, and Lance Armo. Students could vote for their choice for a penny. Senior Billy Wolfe was crowned the 1980-81 "King of Hearts".

Selected to compete in the Bank of America 1980-81 Awards program in Selma on March 25, were: Darin Johnson, Science and Mathematics; Karen Rhea, Liberal Arts; and Mike Derderian, Vocational Arts. This years Bank of America Certificate of Merit winners were: Corrie Arnold, Arts; Bobby Mohler, Drama; Doug Dart, Music; Becky Warkentin, English; Silverio Robledo, Foreign Languages; Peter Nicholas, Social Science; Phil Roberson, Laboratory Science; Judy Hasebe, Mathematics; Jim Ehoff, Trades and Industrial; and Susie Webb, Agriculture.

On January 29, Senior Mark Jennings was chosen Teenage Citizen of the Year by the Chamber of Commerce. First runner-up was Carolyn White, second runner-up was Sharon Gopen.

1. Bank of America Award winners are Peter Nicholas, Mike Derderian, Bobby Mohler, Silverio Robledo, Jim Ehoff, Karen Rhea, Darin Johnson, Susie Webb, Phil Roberson, Becky Warkentin, Doug Dart, Corrie Arnold, and Judy Hasebe.
2. The brunch shack remain closed after Mr. Larry Snyder cancelled brunch for a day because of litter on campus.
3. Dinuba High fans cheer on their team at a football game.
4. Senior Billy Wolfe is crowned King of Hearts by Emerald League member Keri Denny. Seniors Jim Gordon, Lance Armo, Doug Dart, and Nathan Barnes were the other contestants.
5. New carpet and paint adds a new look to the rooms in main building.
6. "Cupid and Cutie" Mr. Mark Weber and Miss Leslie Rasmussen exchange kisses.

The journey of creating is difficult
The roads are many, the shortcuts are few
When inexperienced, you stumble in the dark
When making decisions, you stall in confusion
In taking responsibilities, you tire with laziness
In meeting deadlines, you grow bitter with frustration
But in the end when the journey is finished
You look back and see all you've gained along the way.

1. The Southern Pacific Railroad Depot was the center of town in the early 1900's following its' construction in 1910. Four passenger trains a day, two north bound and two south bound, delivered all supplies in Dinuba including gasoline, food, and farm equipment. If the post office was closed, people could mail letters at the train station.

The first Chamber of Commerce and Library were located across the street from the depot at the current location of Surabian's Packing House. The first store in Dinuba was located where Jim Manning Dodge is located. Possible the first public lawn or park was located at the now-abandoned A & W site. Steam engines could refill with water from the water tank near the station.

In 1915, an airplane race was to be held from San Francisco to Bakersfield. They were to land in Dinuba for the night in the strip of land in front of the depot. People gathered to watch the planes land but only two arrived.

INDEX

Time sketches a few lines
and etches its wishes
into our lives

See how everything's changing
and see how time is
rearranging the people
and the places, keeping
nothing sacred
